WELCOME TO EDINBURGH

Scotland's vibrant capital city is waiting to welcome you. Here are 10 reasons why students from all over the world study in Edinburgh:

1

Voted **the best city in the UK** for five years running (Daily Telegraph Travel Awards) and Scotland voted the most beautiful country in the world in 2017 (*Rough Guides*).

2

Built on 7 hills, Edinburgh is a **historic yet modern capital**, featuring an iconic skyline, extinct volcano and world-famous castle!

3

Our inspiring city is home to 4 universities and **over 60,000 students**, and is the safest city in the UK (Mercer, 2016).

Edinburgh hosts the **world's biggest arts festival every August**, so the culture is second to none throughout the year.

4

5

Beautiful and buzzing yet compact and safe, Edinburgh was **ranked 2nd best student city in the UK** (QS Top Universities) and **2nd best city in the world for quality of life** (Deutsch Bank).

6

The city is **bursting with cafes, pubs, clubs and live music venues**. Truly cosmopolitan, Edinburgh offers everything from Saturday foodie markets to international street food.

7

Edinburgh is **full of green spaces, and has the lowest air pollution levels** of any UK major city. A 30 minute bus ride takes you into the Pentland Hills, or to the edge of the North Sea.

Edinburgh is a UNESCO World Heritage site and the first UNESCO City of Literature in the world! There's a reason Edinburgh inspired Harry Potter!

8

9

Edinburgh offers the perfect balance - enjoy unique local Scottish culture (and dialect!) while also living in a safe, English-speaking country.

10

Fly to over 130 destinations from Edinburgh, on one of 300 flights each day – Europe is your oyster for vacation or weekend trips.

Swans on every loch (lake) and if you take the right cobblestone street, it will lead you to the school that provided JK Rowling with her inspiration for Hogwarts. The whole city feels magical.”
