23 August

Guaranteed student accommodation applications close.

25 August

Student accommodation applications close.

31 August

Deadline for accepting a place with Edinburgh Napier University.

5 September

Trimester 1 begins!

Top Tips For Results Day

1

1. Start the day right.

Get up on time, make a cup of tea and double-check your phone battery. Things can start moving fast as soon as your results are in!

2

2. Be sure you have everything you need.

You will need the UCAS codes for Edinburgh Napier University (**E59 ENU**) and the courses you're interested in (available at www.napier.ac.uk). If you already have a UCAS account, have your login details and your Clearing number to hand as well (this will appear in your **UCAS Hub** once your status has updated).

3

3. Know what you want to say.

For data protection reasons, our team will need to speak with you directly, rather than a friend or family member. Take a deep breath and tell us why you want to study at Edinburgh Napier University. Remember, we're here to help find the right course for you!
