Top Tips For Results Day

1

1. Start the day right.

Get up on time, make a cup of tea and double-check your phone battery. Things can start moving fast as soon as your results are in!

2

2. Be sure you have everything you need.

You will need the UCAS codes for Edinburgh Napier University (**E59 ENU**) and the courses you're interested in (available on our website). If you already have a UCAS account, have your login details and your Clearing number to hand as well (this will appear in **UCAS Track** when your status updates).

3. Know what you want to say.

For data protection reasons, our team will need to speak with you directly, rather than a friend or family member. Take a deep breath and tell us why you want to study at Edinburgh Napier University. We're here to help find the right course for you.
